

If you have a SignUpGenius account and you change your email address you will need to update your settings as follows:

1. Click on your initials in the top-right of the SignUp screen. This is what it looks like for me; you will see your own initials:

2. Some new options will open up that look like this:

3. Click on Settings. A new window will open that looks like this:

Settings

Profile Password Notifications Sign Ups Other

Account Information

Use my Initials

Upload a Photo

Use my Facebook Image

Use my Gravatar Image

First Name * David

Last Name * Teall

Email * [blurred]

Change your email address in the bottom box, then scroll down and click on Update Profile. If all has gone well the following message will be displayed:

✓ Your profile has been updated.
