

## **The Peterborough Diocesan Guild of Church Bellringers.**

### **Peterborough Branch Press Correspondent's Report 2021.**

Again, another difficult 12 months with the first quarter of the year subjected to lockdown and minimalistic if any ringing at all.

There has been very little to report on over the last Eight or so months. There was the September edition of the guild newsletter to which we had limited responses again all from the same 3 or 4 towers that always respond!

The newsletter has now appointed a new editor, Jonathan Stuart who is working closely alongside Cathy Dixon the guild Public Relations Officer. They are working at changing the format of the current newsletter to be more inclusive of tower events photo's etc.

Jonathan has also asked that all members of towers who have contributions but never get fruition through their respective correspondents/Tower Captains mail directly to him at [newsletter@pdg.org.uk](mailto:newsletter@pdg.org.uk) where he will edit and format as he sees necessary.

There is also discussion of having quarterly newsletters instead of half yearly to hopefully obtain more up to date information and can be forwarded whilst still fresh.

I am standing down at the next AGM having held the position for 5 years now, I would like to wish my successor all the very best. It will be interesting to see the new format and what content Jonathan is asking for.

I wish you all very best wishes and happy ringing in 2022 and thank you to all who have contributed since I took this role on.

Kind Regards.

Terry.
